

Cutten • Ridgewood Student Foundation

Dear Families and Friends of the Cutten School District:

Due to California's budget crisis, the Cutten School District is facing over \$150,000 in budget cuts for the 2010 – 2011 school year. Unfortunately, decreased funding for education is a trend that may continue for years to come. This could mean an eventual reduction in teachers, classified personnel, and student support programs in our district.

The nonprofit Cutten/Ridgewood Student Foundation offers a means by which your **tax-deductible donations** can be used to fund the programs and services our children need and deserve. Please think about making our schools a part of your family budget. **Your contribution can make a substantial difference for all of the students in Cutten and Ridgewood Schools.**

**Consider pledging your support for the
Cutten • Ridgewood Student Foundation today!**
